

## Labor Day Weekend 2014 Tango Intensive

Participants will spend four days (August 28-31) immersed in the intricacies of Argentine Tango, considered by many to be the world's most sensual dance.

**Nito García** learned Tango the old-fashioned way, watching his uncle and aunt dance on a packed-earth patio in the province of Buenos Aires more than half a century ago. As a young man he polished his skills in the dance halls of Buenos Aires in the '50s, was principal dancer with the orchestra of Osvaldo Pugliese, and later moved to Mar Del Plata, on the Atlantic coast of Argentina, where he continued to perform and teach.

Supremely creative and elegant exponents of the Tango, **Nito & Elba** have, in recent years, been "rediscovered" by a younger generation of tangueros in Buenos Aires, many of whom seek them out for individual instruction.

*All classes will be held at the Carrillo Recreation Center  
100 E. Carrillo Street
